PARESKY FLITT & COMPANY, LLP, ANNOUNCES BUILDING EXPANSION

September 2, 2009, Wayland, MA --- Paresky Flitt & Company, LLP, a leading certified public accounting firm, has announced that an expansion and renovation project is underway at its 14 West Plain Street, Wayland, MA, office building. The project will add close to 3000 square feet.

Paresky Flitt & Company, a privately-held firm, has outgrown its space due to significant growth over the past few years. The expansion and renovation project involves recapturing office space on the ground level, previously leased to another business, and renovations to existing space on both floors. A new enclosed stairway has been added to the outside of the building to provide access between floors.

According to Lee Paresky, "Our current space is tight due to client growth that we expect to continue. The project should accommodate current and future growth."

The project is expected to be completed by October 2009.
